Customer Service

Profile

Experienced Digital Marketing Associate and Computer Science Student with experience building, maintaining, and running computers. I have also successfully ran several marketing campaigns. Currently Employed at Tesla Motors.

Employment History

Cashier, HEB, Round Rock

Oct. 2017-May 2020 (OFF & ON WORK)

At HEB I assisted customers at the register to assure they found what they needed efficiently.

Package Handler, FedEx, Austin

Dec. 2019-May. 2020

At FedEx I loaded large company trailers with packages.

Manufacturing Specialist, Samsung Austin Semiconductor, Austin

Oct. 2020-Nov. 2021

At Samsung Austin Semiconductor, my duties as a Manufacturing specialist were to fulfill daily run rate needs and complete hourly/daily reports before the end of each shift.

Quality & Production Associate, Tesla Motors, Austin

Nov. 2021-PRESENT

At Tesla Motors, I am required to abide by safety and HR protocol to successfully inspect, test, and pass/fail parts. As an associate I am also required to assist with company rates and assure we are pushing out parts at a sustainable rate.
